- **Field of Interest:** Open to individuals from diverse academic backgrounds, interested in pursuing careers in research or academia.
- **Motivation and Passion:** Genuine passion for chosen field of study, curiosity for exploring new ideas, and desire to contribute to the academic community.

## About Youth Ink

The Youth Ink is an initiative of SAFL India Foundation and emerging research platform based on the idea of true education and research for the Masses. Knowledge and its quest isn't an option, it's a duty of the Young. Youth can give the right tone to today's and tomorrow's society by having a spirit of True Education within themselves.

The Youth Ink conducts Workshops based on the idea of true notion of education and research methodology. The workshops aim to empower the youth with a philosophy of education and its goals related to individuals and society. FGDs, Self-assessment tests, Presentations, and Learning Research Methodology are the inputs in the workshops that aim to deliver a youth who is academically strong, socially educated, and well-rounded in character.
